On Saturday 20th May the Sheffield and Hallamshire Oset Round 2 was held at Unthank Hall Farm. Nineteen riders along with lots of supporters turned out and luckily the rain held off until the very end!Well done to Joshua Witting for coming in first place on the middle route and Leon Currie on the easy route. Max Howarth won the prize for effort for continuing to give his all!Well done to all the riders including a few who came for their first trial which is always great to see. A great attitude was shown by all.We would like to thank Paul Spivey and Jon Cropper for observing and would also like to thank Scott Witting for helping out and even lending a bike to a rider so that they could continue with the trial, I know this was much appreciated!

Round 3 will be held on Saturday 17th June, venue to be confirmed, we will keep you posted!
